

2nd *Annual* Research Day

Best *poster/demo* award

Aalto Research Day Best Poster / Demo Award

recognizes the poster / demo that most effectively and convincingly presents the authors' research project with respect to the conference's topic "Research with impact". Therefore the winning project is chosen by the audience.

The award is presented to

Lauri Uotinen, Zhen Song, Otto Hedström, Eeva Huuskonen-Snicker, Tiina-Liisa Toivanen, Jorma Palmén and Tero Hokkanen

for the poster / demo **Semiautomatic characterization of rock masses using photogrammetry, 3D printing technology and ground penetrating radar.**

Helsinki, 26 September 2013
