Aalto open access fund pilot

Introduction

• The purpose of the pilot is to support Aalto University’s researchers with the OA article payments (APC-charges)
• The pilot was launched at the start of 2017 and will last until the end of the year
• Aalto University has reserved 120,000 euros for the pilot
• Every department has its own quota for OA article payments
• The head of department makes final decisions for the use of the department quota
• The quota depends on the publishing activity of the department during the past few years

Requirements

• To get the funding, publications must meet certain requirements
• Gold-model journals: Publication Forum’s* classification must be 1, 2 or 3
• Hybrid-model journals: Publication Forum’s* classification must be 2 or 3
• The Learning Centre verifies that the publication meets the requirements and checks if there are any discounts on APC-charges

Classifications of funded articles

The classifications:
- 1 = basic level
- 2 = leading level
- 3 = highest level
